

## Non Limited Reports

Not all the businesses you deal with will be Limited companies. Non-Limited businesses are often the hardest to assess.

Because First Report gives you access to the largest database of non-Limited business reports in the UK we can provide a report when other services will give you a 'no trace'.

I am writing to say how happy I am with your service.

We need quick results on the status of a company or individual and your company provides the sort of service we need especially when we are under pressure.

I will certainly be continuing to use your service.

Yours faithfully

C Moore

As a result of the standard of service you provide I thought I would just send you a quick note to thank you.

I have found your credit checks service extremely reliable and it has proved to be an invaluable part of our credit management.

Your credit reports are both clear and comprehensive and at a price which is very competitive.

Thank you,

Kind regards
